

R5 SL

WILDLAND FIRE HELMET

The R5SL Smokejumper Wildland Fire Helmet offers durable protection with a DuPont™ Kevlar® shell, DuPont™ Nomex® wrap shroud, and merino padding for all-day comfort in extreme conditions. Flame-resistant straps and a modular design ensure firefighters stay safe, equipped, and ready for any challenge.

FEATURES & BENEFITS

- 1 RUGGED COMPOSITE SHELL**
Kevlar® and fiberglass-reinforced shell with beaded edge trim offers exceptional durability, impact resistance, and lasting protection.
- 2 NOMEX® WRAP SHROUD**
Delivers extended coverage for the face, neck, ears, and head, offering superior protection against heat, flames, and debris.
- 3 PREMIUM COMFORT**
Soft, breathable merino padding wicks moisture away, ensuring all-day comfort during demanding operations.
- 4 ACCESSORY STRAPS**
Flame-resistant straps enable secure, easy attachment of essential gear.
- 5 EASY MAINTENANCE**
Modular design allows for quick assembly and disassembly, making cleaning and decontamination effortless.
